

STREAMLINED AIR-CONDITIONED GRILL CARS

The New Haven Railroad was the first to introduce Grill Cars to rail travelers! And now 5 of these modern and popular restaurants are rolling daily between New York and New England points, on famous New Haven trains.

* * *

The interiors are smartly styled in Chinese Red and Satin Silver with venetian blinds and comfortably upholstered seats. Designed exclusively for the New Haven Railroad by Lurelle V. Guild Associates, of New York.

* * *

A modern bar is skillfully tended by a master mixer.

* * *

A complete soda fountain is at your service for cool summer refreshments.

* * *

An expert chef produces everything from a ham sandwich to lamb chops, grilled to your order, in the smallest and most compact kitchen on wheels!

* * *

An attractive hostess presides over kitchen, bar and smartly uniformed waitresses, trained to anticipate your slightest wish!
